Limits

Do we limit the CPVs that we can reserve?

Yes	No
Castilla León 3 % some CPV	Navarra 6% of total
-	Barcelona 8 million €

Percentage

Percentage of the last year´s volume on procurement.

Quantity

A quantity that can be divided by types of entities or not

Some data

More than 13 M € with the new law

10%
Reserved lots

Above the threshold

17 proc.

Aprox. 25% of the procedures

90%
of the regions

80
procurements

95% services

40% social criteria

Lower number of participants than regular procedures

65
already awarded

5% no participants

CEE over EI

Increasing number of procedures

Situation in the Canary Islands

01 just 8 reserved procurements

02 total amount 250.000 € over potential 60 million €

03 Low awareness of legislation and social entities

04 Created myths abouth legal validity

05 However, quite advanced legislation
